FitLine is an official supplier of additional nutrition for the following sports associations: German Skiing Association (DSV), the Austrian Skiing Association (OeSV), the Polish Skiing Association (PZN), Swiss Skiing and the Association of the German Cyclists BDR.

The quality of our sports foods and our exemplary support in top sports also led to Austria's Sport Aid recommending our nutrition products to the almost 500 athletes they support.

Congratulations from the FitLine Team to all athletes, as it is outstanding in itself to take part in Winter or Summer Games. Winning a medal is the dream of every World class athlete. We wish all the athletes many more successes and victories.
