

FitLine congratulates the 69 medal winners at the Winter Games 2018!

Resultate erleben.

A strict selection process takes place to qualify for participation in the Winter Games. Many thousand athletes worldwide tried to qualify for the Winter Games. In the end around 3.000 athletes from more than 90 countries made it. The dream of winning a medal was fulfilled, among other things, for 69 athletes from 33 disciplines.

13 x Gold, 9 x Silver and 11x Bronze.
